### Description

The Vibia Cosmos 2502 is the largest of three pendant lamps with only one disc as lamp of the design team of Lievore, Altherr and Molina. It measures 48 cm in diameter and has a width of 7 cm and can be suspended to a maximum of 200 cm. The Cosmos 2502 features a round, disc-shaped lamp shade in white polycarbonate. One 4.5 Watt LED and one 1 Watt LED are included. The light is emitted mainly direct downwards. The lamp can be dimmed by the customer (1-10 Volt or Push). DALI or with Casambi module dimmable versions are also available on request. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The pendant lamp is well combinable with the other lamps from this series.
