Transférabilité	au-dessous de l'étagère
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.539
La température de couleur en Kelvin	2.700 extra blanc chaud
Les performances du système	8 x 1,63 + 1 x 4.5 Watt
Dimensions	H 99 cm B 35 cm L 46 cm

Description

The Vibia Suite 6026 is a Multi-functional design object by Jordi Vilardell and Meritxell Vidal. It has a base and also a wall mount, four shelves, a USB charging port and eight efficient LEDs. On the top shelf board a glass diffuser is additionally installed, which is reminiscent of an illuminated stone with dimmable light. In this glass diffuser another LED is integrated. Whether you want to call this a floor lamp, wall lamp, table lamp or function furniture, you can decide.

The Vibia Suite 6026 is available in brown and white. An on-off switch is integrated on the cover below. Whether next to the bed, as unusual bedside table, next to the couch or as a shelf in a corner - the functional Vibia Suite 6026 makes everywhere a good impression. At the bottom of the shelf below the USB port are the switches for switching the lamp on and off and for dimming the glass diffuser.
