Dimensions	H 3 cm B 18 cm

Description

The Vibia Set 7749 is a single-light LED wall lamp. It was designed by Xuclà. The straight shaped lamp is available in white and mink. As a single lamp, Set 7749 can be used practically anywhere thanks to its small dimensions and timelessly simple shape. The wall light can be dimmed with 0-10 volts on site. The lamp can also be used in combination with other Set lamps.
