## Description

The Foscarini Lumiere 05 Grande Dimmer is a table lamp, which is significantly higher with a height of 45 cm than the smaller Lumiere 05 Piccola. The designer Rodolfo Dordoni created the light with many possible combinations. So the blown glass shade is available in white, heated white and cherry. The base of the lamp is made of polished aluminum and has the colors chrome black, champagne or aluminum.

The light intensity of the Lumiere 05 Grande Dimmer can be regulated via a cord dimmer. In addition, also a Lumiere 05 Grande with a cord switch is offered. The blown glass is white inside and coloured outside.
