

Byok

Nastrino Pico wall lamp

Farbe

- noir
- aluminium

Technical details

Pays de fabrication	 Allemagne
fabricant	Byok
concepteur	Kai Byok
protection	IP20
Contenu de la livraison	LED
Projection en cm	35
matériel	aluminium
atténuation	controle gestuel
LED	remplacé par des professionnels
Indice de rendu des couleurs	90
La température de couleur en Kelvin	Dim to warm
Les performances du système	2 x 3,6 Watt
Flux lumineux total en LM	610
répartition de la lumière	directement
Dimensions	H 30 cm

Description

The Byok Nastrino Pico wall lamp is a lamp characterised by its functionality. The light has two LED zones in the upper arm. Thanks to the joint, the wall light can always be adjusted anew and the light can be aligned as desired. The design is very slim, because this lamp consists of simple ground aluminium profiles. These different surfaces are on offer: aluminum matt and black matt. Byok offers this lamp also with a table clamp, an USM adapter and a classic table base. The Pico wall lamp is the smaller one of two lamps out of this series.

The Nastrino Pico wall lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
