Diamètre de l'ombre	6 cm
remplacement des ampoules :	sur le site meme
Les performances du système	2 x 5,5 Watt (max.)
Flux lumineux total en LM	750

Description

The Catellani & Smith Lucenera 206 Soffitto is a ceiling light with two flexible arms. Both arms have a reflector. The lamp is available with a maximum height of 80 cm. The lamp is offered with black carbon fiber or white technofiber reflector. The special feature: the reflector can be pushed back and forth on the connection to the arm. This allows the beam angle of the light to be variably adjusted for this ceiling light.
