<b>LED</b>	y compris
<b>remplacement des ampoules :</b>	sur le site meme
<b>Dimensions</b>	H 40 cm   B 17 cm

### Description

The Serien Lighting Club Wall emits diffuse light into the room through its lamp shade. In addition, direct light is emitted upwards and downwards. Since the lamp shade is attached to slim aluminum brackets, no shadows are created.

The wall bracket of the Club wall lamp is available in brushed aluminum and black lacquered. Its lamp shade is made of white chintz cotton. The wall lamp has an R7s socket and can be operated with a replaceable LED (retrofit).
