protection	IP20
Contenu de la livraison	LED
matériel	acier, aluminium, méthacrylate
atténuation	1-10V dimmable
Puissance en Watt	50 W
LED	y compris
Indice de rendu des couleurs	>90
Dimensions	H 7 cm B 64 cm L 64 cm

Description

The square Vibia Up 4454 is ideally suited for widespread lighting installations and has a new LED for a particularly flat light scattering. A modern LED, electronically dimmable from 1-10 V is included.

The ceiling lamp comes from the designer duo Ramos & Bassols. The lamp is made of aluminum with a polycarbonate diffuser and can be selected in graphite grey matt or white matt.

The colour temperature of 2,700 Kelvin extra warm white or 4,000 Kelvin white are offered.

The complete collection is characterized by the only 7 cm high structure in which all the equipment is housed.
