Description

The Ingo Maurer Lil Luxury is an impressive and noble ceiling lamp. Being light and raised the Lil Luxury seems to float inside the room. This ceiling lamp consists of three sails which are thought to be installed under the ceiling. It floods the room with a warm white or golden light. You may put it up with ropes out of polyester. The canopy is made of high-quality aluminium and through the square opening in the middle of the sails a strong and direct light is radiated downwards. The Ingo Maurer Lil Luxury creates a pleasant extraordinary atmosphere inside living rooms.
