atténuation	dimmerable sur place avec commande gradateur de phase inverse
base/version	GU10
Puissance en Watt	5,4 W
LED	y compris
remplacement des ampoules :	sur le site meme
Les performances du système	3 x 6,2 Watt
Dimensions	B 47 cm L 93 cm

Description

The Ingo Maurer Schlitz Up is a ceiling light for installation in suspended ceilings. It is designed for seamless installation and requires a mounting depth of at least 15 cm. Therefore, a ceiling outlet is required for this lamp, which should be filled and painted over after the lamp has been installed. Ball-joint-adjustable Multi Mirror reflectors direct the light in different directions. The light is dimmable on site and is delivered with 3 GU10 LED spots. The LEDs are interchangeable. The ceiling lamp measures length x width = 93 x 47 cm. Special dimensions are also available on request.
