### Description

This Blow Me Up by Ingo Maurer is connected via a power plug. The flexible light can be placed on the floor or leaned against the wall. In addition, it can also be mounted on the wall. Its diameter is 14 cm and its length is 180 cm. The lamp is silver on one side and white on the other side. The LED in the lamp illuminates the reflective side of the lamp itself, from where the light is emitted indirectly into the room. The Blow Me Up by Ingo Maurer can be switched on and off as well as dimmed by gesture control. The integrated LED has a power of 30 watts and a colour temperature of 3,000 Kelvin. In addition, the lamp is also offered with a length of 120 cm and in both lengths as a pendant lamp which is connectable via canopy.
