

Ingo Maurer

Hot Achille

Technical details

Pays de fabrication	 Allemagne
fabricant	Ingo Maurer
concepteur	Ingo Maurer & Team 1994
protection	IP20
Contenu de la livraison	LED
matériel	acier Inoxydable, aluminium, verre
réglage de la hauteur	hauteur déterminée
atténuation	Gradateur cordon avec curseur
Puissance en Watt	6 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	700
La température de couleur en Kelvin	2.700 extra blanc chaud
remplacement des ampoules :	sur le site meme

Description

The Ingo Maurer Hot Achille is an ode dedicated to the great Italian industrial designer Achille Castiglioni. The minimalist design focusses on the essentials making this lamp an outstanding reading light. It is thought to be installed at the ceiling with the coax cable being stretched due to an adjustable weight. The rotatable reflector is attached to this coax cable. The height of the reflector can be adjusted within a certain area of the cable of 100 cm. The reflector can be rotated 360 degrees at the end of the handle. The light intensity is controllable by means of a cord transformer with slide control. The power supply is carried out by a power outlet. The suspension cable has a maximum length of 350 cm and can be shortened if necessary.
