- orange

### Technical details

<b>Pays de fabrication</b>	 Espagne
<b>fabricant</b>	Vibia
<b>concepteur</b>	Diego Fortunato
<b>année</b>	2016
<b>protection</b>	IP20
<b>Contenu de la livraison</b>	LED
<b>Diamètre en cm</b>	30
<b>matériel</b>	acier, méthacrylate, polycarbonate
<b>réglage de la hauteur</b>	hauteur déterminée
<b>atténuation</b>	1-10V dimmable
<b>LED</b>	y compris
<b>Indice de rendu des couleurs</b>	>90
<b>Flux lumineux en lm</b>	2.027
<b>La température de couleur en Kelvin</b>	2.700 extra blanc chaud
<b>canopée Dimensions</b>	16 cm
<b>Les performances du système</b>	1 x 2,4 + 1 x 12,6 Watt
<b>hauteur totale</b>	200 cm
<b>Dimensions</b>	H 6 cm   Ø 30 cm

### Description

The Vibia Mayfair 5520 pendant lamp has a translucent shade which for the most part directs the light directly downwards. In part, the light is also emitted through the shade into the room and upwards, where it is reflected by the wall or ceiling. The lamp is an update of pendant lamps over billiard tables, whereby the designer Diego Fortunato chose a fresh, innovative design. The lamp shade is available in green or orange. In both versions, the light rod is in graphite grey. The pendant light is height settable and dimmable on site with 1-10 volts or Push. A DALI dimmable version or a version with Casambi module is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer. In addition to this lamp with translucent shade, the Mayfair 5525 with opaque shade and other surfaces is also offered from the series.
