Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Arik Levy
année	2016
protection	IP20
Contenu de la livraison	LED
Projection en cm	410
matériel	acier Inoxydable, aluminium, la fibre de carbone, méthacrylate
longueur de câble	250 cm
réglage de la hauteur	réglable en hauteur
atténuation	Variateur à pied
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	5.076
La température de couleur en Kelvin	2.700 extra blanc chaud
Les performances du système	4 x 9 Watt
Dimensions	H 425 cm

Description

The Vibia North 5625 floor lamp has four lamp arms, each with a lamp shade. The lamp arms are of different lengths and extended in different directions. The design of the North collection by Arik Levy is very innovative, dynamic and flexible. The height of the lamp shades can be precisely adjusted during installation to direct the light where it is needed. Even after installation, the height of the lamp shades can be modified if necessary. The North 5625 is available in the following surfaces: white, black, beige and blue. All surfaces are matt lacquered. The lamp can be mounted with or without plug. A dimmer is integrated in the centre of the base.
