

Vibia

Structural 2620

Oberfläche

- gris foncé
- gris clair

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Arik Levy
année	2018
protection	IP20
Contenu de la livraison	LED
Profondeur en cm	10
matériel	aluminium, polycarbonate
atténuation	1-10V dimmable
LED	y compris
Indice de rendu des couleurs	>90
La température de couleur en Kelvin	3.000 blanc chaud
Les performances du système	2 x 6 Watt
Flux lumineux total en LM	1.513
Dimensions	H 18 cm B 56 cm L 90 cm

Description

The Vibia Structural 2620 is a wall light that marks coordinates with a rectilinear language, connects points of light in space, relates planes and underlines the architectural dimension. Indirect lighting and composition based on volumes clarify light and shade. This wall lamp is available in the surfaces light grey and dark grey. Both versions are matt lacquered. On request, the lamp is also available with a colour temperature of 4,000 Kelvin white. On request, there are also offered versions which are dimmable with DALI or which can also be dimmed with an optionally available Casambi module using a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the lamp on at specific times via a timer.
