

Vibia

Structural 2630

Oberfläche

- gris foncé
- gris clair

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Arik Levy
année	2018
protection	IP20
Contenu de la livraison	LED
matériel	aluminium, polycarbonate
atténuation	1-10V dimmable
Puissance en Watt	9 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.078
La température de couleur en Kelvin	3.000 blanc chaud
Dimensions	H 21 cm B 12 cm L 18 cm

Description

The Vibia Structural 2630 is a ceiling light with basic lines and cubic volumes that form sculptures integrated into the architecture. Structural ceiling lamps are a design by Arik Levy for Vibia. Through the direct lighting, this lamp provides a powerful magical light, which bathes the ceilings with an intense lighting effect. The ceiling light is offered in the surfaces light grey and dark grey. All surfaces are matt lacquered. On request, the lamp is also available with a colour temperature of 4,000 Kelvin white. In addition, versions are also on offer that are dimmable with DALI or can also be dimmed with an optional Casambi module via a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the lamp on at specific times via a timer.
