

Vibia

Structural 2640

Oberfläche

- gris foncé
- gris clair

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Arik Levy
année	2018
protection	IP20
Contenu de la livraison	LED
matériel	aluminium, polycarbonate
atténuation	1-10V dimmable
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	3.292
La température de couleur en Kelvin	3.000 blanc chaud
Les performances du système	1 x 9 + 1 x 15 Watt
Dimensions	H 21 cm B 37 cm L 120 cm

Description

The Vibia Structural 2640 is a ceiling light consisting of a 120 cm long light rod and two lamps. The two lamps are of different sizes and both emit their light directly downwards. Arik Levy designed the Structural ceiling lights for Vibia. This lamp immerses the room in a powerful light full of magic. This ceiling lamp is available in the surfaces light grey and dark grey. All versions are matt lacquered. The light can be dimmed by the customer with 1-10 volt. On request, DALI dimmable versions or versions are also available, which can be dimmed with an optionally available Casambi module via a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The light is also available with a colour temperature of 4,000 Kelvin white.
