

Vibia

Tempo 5770

Oberfläche

- gris graphite
- blanc - crème
- vert
- rouge

Technical details

Pays de fabrication	 Espagne
fabricant	Vibia
concepteur	Lievore Altherr
année	2018
protection	IP20
Contenu de la livraison	LED
Diamètre en cm	25
matériel	acier, aluminium, verre
réglage de la hauteur	hauteur déterminée
atténuation	1-10V dimmable
Puissance en Watt	4 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	415
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	16 cm
hauteur totale	200 cm
Dimensions	H 18 cm Ø 25 cm

Description

The Vibia Tempo 5770 is a pendant lamp with a classic bulb shape under a disc-shaped reflector. The reflector has a diameter of 25 cm. Tempo pendant lamps are a design by Lievore Altherr. Suspended from the cable, the blown glass diffuser offers subtle nuances of transparency and translucency. All models of the Tempo collection incorporate LED lighting. They are inspired by degrees of luminance and the interplay of opacity, translucence and transparency. The Tempo pendant lamp collection integrates perfectly into all types of spaces and contemporary interior design projects.

The lamp is available in graphite-grey, terracotta-red, cream-white and green surfaces. All surfaces are matt lacquered. The standard colour temperature is 2,700 Kelvin extra warm white, on request the pendant lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. A special cable length is also available on request. The light can be dimmed by the customer with 1-10 volt or Push, on request versions are also available which are DALI dimmable or which can be dimmed with an optional Casambi module via Smartphone App. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
