| Dimensions | H 31 cm Ø 57 cm |

Description

The Marset Soho C Fixed Stem LED is a pendant lamp with a fixed rod as suspension. With protection class IP44, the lamp is also suitable as an outdoor lamp. Its lamp shade is made of polyethylene by centrifugal casting. A white-opal diffuser made of methacrylate reduces glare and distributes the light evenly downwards. The lamp shade with a diameter of 57 cm is available in black, white and stone grey. The suspension of each version is made of black lacquered metal. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated, on request the pendant lamp is also available with 3,000 Kelvin warm white. The Soho C Fixed Stem LED can be dimmed by the customer.
