<b>Dimensions</b>	H 41 cm   Ø 50 cm

### Description

The Elipse S/50/H Outdoor pendant lamp from Bover with the ellipse shape of the lampshade comes from the designers Alex Fernández Camps and Gonzalo Mila. This outdoor lamp is 41 cm high and has a diameter of 50 cm. This white outdoor lamp is made of resistant polyethylene and silver anodised on the metal surfaces. The very hard and resistant polyethylene from which this lamp is made is perfect for outdoor use. The Bover Elipse S/50/H Outdoor is weatherproof and protected against UV radiation thanks to its IP66 protection class. With its black 390 cm long waterproof neoprene cable this lamp can be installed at many outdoor placements. The Elipse S/50/H Outdoor pendant lamp with E27 socket can be operated with LED retrofit lamps. This lamp includes a hooked rubber accessory that facilitates the temporary installation to many different places.
