

Vistosi

Cloth AP G

Schirmfarbe

- metallise
- blanc

Technical details

Pays de fabrication	 Italie
fabricant	Vistosi
concepteur	Romani Sacconi Architetti Associati
année	2009
protection	IP20
Contenu de la livraison	Leuchtmittel/Bulb
Profondeur en cm	16
matériel	cristal verre, métal
atténuation	dimmerable sur place
base/version	E27
Puissance (max. Watt)	77 Watt
Dimensions	H 25 cm B 37 cm

Description

The Vistosi Cloth AP G wall lamp has a lamp shade that looks like pleated fabric. In fact, it is made of mouth-blown crystal glass. The lamp shade is available in two colours: white matt and metallized. When switched off, the metallized shade appears metallic due to its chrome coating. As soon as the lamp is switched on, the colour changes to dark beige. While the white version emits light through the shade and upwards, the metallized version only emits light onto the wall. The Cloth AP G can be mounted upwards or downwards with the shade open, depending on where the light is to be emitted. The wall lamp can be operated with halogen lamps or LED retrofit lamps.
