<b>tête de luminaire masse</b>	longueur 12 cm
<b>remplacement des ampoules :</b>	sur le site meme
<b>répartition de la lumière</b>	directement
<b>Dimensions</b>	H 98 - 143 cm

### Description

The Holtkötter 9617 is a floor lamp that can be adjusted in height from 98 cm to 143 cm. It has a swivelling reflector and an adjustable lamp arm. The lamp arm can be readjusted at any time by two joints. This floor lamp is made of high-quality metal, which is available in the surfaces nickel-plated matt, Fume matt and brass. The version brass is partly in brass polished and partly in matt. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated into the reflector and can be replaced if required. At the top of the light rod, a push button dimmer for continuous dimming is located. The last brightness level selected is saved with a memory function and reset when the light is switched on again.
