Passepartout wall lamp

Version

- or
- chrome
- noir
- blanc

Technical details

Pays de fabrication	 Italie
fabricant	Cini & Nils
concepteur	Luta Bettonica
année	2016
protection	IP20
Contenu de la livraison	LED
Profondeur en cm	18
Diamètre en cm	22
matériel	acier, aluminium
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	18 W
LED	y compris
Indice de rendu des couleurs	95
Flux lumineux en lm	2.200
La température de couleur en Kelvin	2.800 blanc chaud
Dimensions	H 16 cm Ø 22 cm

Description

The Cini & Nils Passepartout wall lamp has an LED on the back of its ring. This causes the light to be transmitted indirectly to the wall behind the lamp, from where it is partly reflected into the room. The ring has a diameter of 22 cm and is mounted slightly inclined. The Passepartout wall lamp is available in the following versions: white matt, black matt, chrome polished and gold polished. All versions except the gold version have a wall bracket made of diamond-polished aluminum. The gold version is supplied with a matt brass wall bracket. The light can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the wall lamp can be dimmed with the Casambi App via Bluetooth using a smartphone / tablet. A cover plate for the junction box is available as an accessory.
