<b>protection</b>	IP20
<b>répartition de la lumière</b>	directement
<b>Contenu de la livraison</b>	LED
<b>Dimensions</b>	H 12 cm   B 3 cm   L 3 cm

### Description

The Ingo Maurer Flying Flames Downlight is an accessory for the Flying Flames pendant lights and is attached to the canopy with a magnet. Up to three Downlights can be hung on a Flying Flames canopy. The Downlight emits its light directly downwards and is available in black or chrome. The light can be dimmed continuously via an integrated touch dimmer. A memory function saves the last dimming setting for the downlight. The cable can be shortened if required.
