Description

The Garota P/02 Outdoor floor lamp by the Spanish manufacturer Bover has a round lampshade made of a weatherproof, synthetic wickerwork. The light of Bover Garota P/02 Outdoor is emitted directly downwards and through the wickerwork to the sides. This floor lamp has a diameter of 72 cm, is 132.8 cm high and available in the shade colours ivory white and brown. The base of the floor lamp with white shade is in white, the one with brown shade in graphite brown. The metal surfaces and the stainless steel base of the lamp are coated with an epoxy-polyester paint and are therefore weatherproof. The Bover Garota P/02 Outdoor is weatherproof thanks to the IP66 protection class and is also protected against UV radiation. This floor lamp is supplied with a black waterproof 300 cm neoprene cable with plug. This floor lamp with E27 socket can be used with LED retrofit lamps. On request there is a hard-wired version available.
