Description

This Brokis Knot Cilindro pendant lamp has a smoke grey, mouth-blown glass. It has a diameter of 30 cm and a height of 46 cm. At the top of the glass is a metal reflector integrated, which is worked by hand and is available in black matt, brass, brushed stainless steel and copper. The canopy is always delivered in the same colour to the reflector. As a special feature, a cable runs through the Knot lights, which is tied in a knot at the bottom. The Knot Cilindro is on request also available as a not dimmable version. The pendant lamp is also offered with a transparent, smoke brown or opal glass. The smaller Knot Small Cilindro is also on offer from this series.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
