matériel	laiton, verre
réglage de la hauteur	réglable en hauteur
atténuation	tournant dimmer
Puissance en Watt	25 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	4,500
La température de couleur en Kelvin	2.700 extra blanc chaud
Pied de lampe dimensions	27 cm
tête de luminaire masse	24 cm
Dimensions	H 125 - 185 cm

Description

The Knapstein CORA emits its light upwards as a ceiling floodlight. In the lamp head of the ceiling floodlight is a glass lens, through which light is also directed downwards. The floor lamp can be adjusted in height between 125 cm and 185 cm at any time. The lamp can be switched and continuously dimmed via a rotary dimmer on the lamp rod. The CORA is available in brass matt and matt nickel-plated surfaces. The CORA-L is also offered from the series with a rotating and swivelling reading arm.
