### Description

The Foscarini Gregg Parete Media Semi 2 has a mouth-blown acid-etched glass in satin white. The wall lamp is curved to the left and has the shape of a half Gregg Media lamp. It is 25 cm high and 31 cm wide. Its depth is 12 cm. Through the glass the light is emitted glare-free and evenly in all directions. The painted metal wall bracket is available in white, gold and graphite versions. The Gregg Parete Media Semi 2 has an E27 socket that can be operated with halogen lamps, LED retrofits or compact fluorescent lamps. A MyLight version of the lamp is also available from the lamp series, which can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet. There is also offered the Gregg Parete Media Semi 1 with a glass curved to the right and the larger Grande wall lamp.
