Technical details

Pays de fabrication	 Tchéquie
fabricant	Bomma
concepteur	Jan Plecháč & Henry Wielgus
protection	IP20
Contenu de la livraison	LED 230 Volt
matériel	cristal verre, métal, Textile
couleur de câble	noir
longueur de câble	180 cm
atténuation	dimmerable sur place
base/version	E27
Transférabilité	sur la conduite
Puissance (max. Watt)	13 Watt
LED	y compris
Diamètre de l'ombre	23 cm
Hauteur de Abat	37 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 41 cm

Description

The Bomma Lantern Table is a table lamp with a mouth-blown glass. In total, the lamp is 40.5 cm high. Its glass has a diameter of 22.5 cm and is made of crystal glass. Each glass is mouth-blown individually and is therefore unique, so that the colour shade and intensity can vary.

The Lantern table lamp is available in the glass colour smoke grey. During the production of the smoke grey glasses, clear crystal glass is mixed with coloured glass so that the glass colour does not fade. The lamp base is offered in the surfaces steel black matt powder-coated. The socket each have the matching surface as the base and is operated with a replaceable LED retrofit.
