

# LDM

## Drop Trio Surface-mounted

### Oberfläche

- Matt aluminium
- aluminium poli
- noir
- bronze
- blanc

### Dimmbarkeit

- dimmable DALI
- dimmerable sur place avec commande gradateur de phase inverse
- avec module Casambi

## Technical details

<b>Pays de fabrication</b>	 Allemagne
<b>fabricant</b>	LDM
<b>concepteur</b>	Jürgen Glauner
<b>protection</b>	IP20
<b>Contenu de la livraison</b>	LED
<b>matériel</b>	aluminium
<b>longueur de câble</b>	200 cm
<b>réglage de la hauteur</b>	hauteur déterminée
<b>LED</b>	y compris
<b>Indice de rendu des couleurs</b>	>95
<b>La température de couleur en Kelvin</b>	Dim to warm
<b>canopée Dimensions</b>	Longueur 150 cm, largeur 6,5 cm, hauteur 2,7 cm
<b>Diamètre de l'ombre</b>	7 cm
<b>Hauteur de Abat</b>	16 cm
<b>remplacement des ampoules :</b>	chez le fabricant / a l'usine
<b>Les performances du système</b>	3 x 8,75 Watt
<b>Flux lumineux total en LM</b>	2.343

## Description

The LDM Drop Trio Surface-mounted consists of three height-determinable Drop pendant lights on a rectangular canopy. The three lamps of this chandelier emit their light focused and homogeneously downwards through frosted optical lenses. The Drop Trio Surface-mounted is available in polished aluminum, matt aluminum, bronze, white and black matt. The multiple pendant lamp has a maximum cable length of 200 cm. The individual lamps have a distance of 60 cm from each other. The canopy is 150 cm long and is delivered in the same colour as the ordered lights. The cables can be shortened if necessary and are available in special lengths as well as various colours on request. As standard, the lamps in matt aluminum, white and black are supplied with cables in white, the lamps in polished aluminum with cables in anthracite and those in bronze with cables in copper.

The triple pendant lamp is offered in three versions: dimmable on site with a trailing edge phase dimmer, DALI dimmable or with an integrated Casambi module. The DALI version requires a 5-core mains cable. With a Casambi module, the lamp can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the possibility of regulating several suitable lamps in groups.

When the Drop Trio surface-mounted lighting is dimmed, the light colour of the integrated LEDs changes to a warmer tone (from 3,000 Kelvin warm white to 1,800 Kelvin extra warm white) thanks to the used Dim-to-warm technology. On request, the triple pendant lamp is also available with a decentralised suspension with which the lamp can be mounted independently of the power connection. A single, a double (on request) or a quadruple lamp are also offered from the Drop series. In addition, the height-adjustable Drop Move pendant lamps are also available.
