Hauteur de Abat	25 cm
hauteur totale	55 cm

Description

The lamp base made of oak round rods in combination with a base ring made of powder-coated steel is complemented by a textile lampshade that surrounds the light source. The power supply of the Maigrau Linn Little is provided by a 160 cm long supply line with cord dimmer. The rubber cable can be integrated into the wooden frame so that it is not visible from the outside. This table lamp has an E27 socket and can be operated with an LED retrofit. The diffuse, glare-free light is emitted through the textile lampshade, which ends with a screen at the top. The lampshade of the Maigrau Linn Little has a diameter of 22 cm and is 25 cm high. The total height of this table lamp by the German manufacturer Maigrau is 55 cm. The base of this table lamp has a diameter of 18 cm. The lamp base of this lamp is in oak smoked. This lamp is also available with a natural oak frame. The Linn Little Oblique is offered in the shade colours white and bronze grey. On request, the lamp shade is also available in felt with an acoustic, sound-absorbing effect.
