

B.Lux Speers S1/L

Oberfläche

- noir
- blanc

Technical details

Pays de fabrication	 Espagne
fabricant	B.Lux
concepteur	David Abad
année	2015
protection	IP20
Contenu de la livraison	LED
matériel	aluminium, verre
longueur de câble	400 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	9 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.100
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	12 cm
Diamètre de l'ombre	40 cm
Hauteur de Abat	18 cm

Description

The B.Lux Speers S1/L emits its light directly downwards. An integrated glass lens focuses the emitted light and distributes it evenly downwards. The pendant lamp is suspended with a 400 cm long cable and is therefore also suitable for high ceilings. During installation, the lamp can be individually set in height.

The Speers S1/L is offered in the surfaces black or white. Its lamp shade is made of aluminum and is characterised by a matt texture. The pendant lamp is operated with a dimmable LED that has a colour temperature of 2,700 Kelvin extra warm white.
