Stele LED

Oberfläche

- Hêtre
- chène
- noyer

Technical details

Pays de fabrication	 Allemagne
fabricant	Domus
concepteur	Ralf Brüning
année	2007
protection	IP20
Contenu de la livraison	LED
matériel	acier, bois, Lunopal
atténuation	Touchez gradateurs sur le bâton de lumière
Puissance en Watt	40 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	4.900
La température de couleur en Kelvin	2.700 extra blanc chaud
couleur de l'abat-jour	blanc
hauteur totale	170 cm

Description

The Domus Stele LED floor lamp is 170 cm high. It is available in oak, core beech and walnut finishes. Its two-part lamp shade is made of high-quality Lunopal. This white transparent material was developed by the German manufacturer Domus for its lamp shades and is particularly environmentally friendly. It does not yellow and is reminiscent of fine Japanese paper. The steel base has a square shape. This Stele is operated with a powerful LED that has a colour temperature of 2,700 Kelvin extra warm white. On the back of the lamp, there is an integrated push button dimmer.
