LARAwood Pendant Lamp M

Oberfläche

- noyer
- Chêne noir
- Chêne blanc

Technical details

Pays de fabrication	 Allemagne
fabricant	Domus
année	2005
protection	IP20
Contenu de la livraison	LED
matériel	acier, bois, Textile, verre acrylique
longueur de câble	200 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	25 W
LED	y compris
Indice de rendu des couleurs	>92
Flux lumineux en lm	3.100
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	17 cm
Diamètre de l'ombre	43 cm
Hauteur de Abat	11 cm

Description

The Domus LARAwood Pendant Lamp M is suspended on three steel cables and can be individually set in its total height during installation. Downwards, the lamp distributes the light homogeneously and glare-free, upwards, the light is predominantly dimmed. The view into the interior of the lamp is particularly beautiful, where the low diffuser shows off the wood grain of the lamp to its best advantage. This pendant lamp is available in the finishes walnut, white oak and black oak.

The LARAwood Pendant Lamp M includes a powerful, dimmable LED with a colour temperature of 2,700 Kelvin extra warm white. The integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra > 92. Domus also offers a larger LARAwood pendant lamp.
