<b>canopée Dimensions</b>	Longueur 52 cm
<b>remplacement des ampoules :</b>	chez le fabricant / a l'usine
<b>Dimensions</b>	H 10 cm   B 11 cm   L 130 cm

### Description

The Domus Zep 13 Graphite pendant lamp emits its light glare-free and homogeneously. When mounted, the pendant lamp can be individually suspended in the total height. From the outside, the lamp shade is in graphite, from the inside, it is available in wool white or orange. Two solid shaped parts made of oak enclose the end pieces of the pendant lamp. The end pieces of the lamp in wool white are made of black oak.

The Zep 13 pendant lamp is operated with a power-efficient, dimmable LED that has a colour temperature of 2,700 Kelvin extra warm white. The integrated LED is characterised by a very good colour rendering with a high colour rendering index of Ra > 92. In addition to this pendant lamp, the Zep 9 is also offered with a length of 95 cm.
