Technical details

Pays de fabrication	 Espagne
fabricant	Bover
concepteur	Alex Fernandez Camps
concepteur 2	Gonzalo Mila
année	2015
protection	IP66
Contenu de la livraison	LED
matériel	polyéthylène, acier Inoxydable, aluminium
couleur de câble	noir
longueur de câble	369 cm
Puissance en Watt	17,1 W
LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	2.064
La température de couleur en Kelvin	2.700 extra blanc chaud
Diamètre de l'ombre	72 cm
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 133 cm

Description

The Bover Garota P/02 Outdoor LED floor lamp is also suitable as an outdoor lamp with IP66 protection. It emits its light directly downwards and through the wickerwork to the sides. Its lamp shade has a diameter of 72 cm and is offered in the colours ivory white and brown. The lamp with white shade comes with a lamp base in white, the lamp with brown shade comes with a base in graphite brown. The metal surfaces and the lamp base made of stainless steel are provided with an epoxy-polyester lacquer and are therefore weather-resistant.

The Bover Garota P/02 Outdoor LED is operated with a power-efficient LED that has a colour temperature of 2,700 Kelvin extra warm white. The floor lamp is available as non-dimmable or dimmable with a trailing edge phase dimmer. The non-dimmable floor lamp is connected via a 369 cm long black cable with plug. The dimmable lamp is connected via a connection box and can be fixed to the ground using the accessories supplied. This lamp, which is also suitable for outdoor use, can be fixed to concrete, hollow concrete, lightweight concrete, brick, hollow brick and natural stone.
