Description

The Mediterrània lamp is an ode to the light, the Mediterranean breeze and smell. A soft wave that pays homage to our Mediterranean light, so heterogeneous throughout the day; that light that always combines bright flashes with very warm beams, especially in the sunrise and sunset. Architecturally speaking, Mediterrània is a lamp that serenely participates in spaces. When it's on, it brings a sensation of natural light, light and friendly. Its curves and material make it a non-invasive object, soft and simple. Its organic warmth allows us to rediscover it every time we meet it with our eyes. Installed in spaces of geometric architecture, Mediterrània respectfully manages to bring "life" to the environment. Rippling and serene like our sea, this lamp has the magic of looking different, depending on the time and place from which it is seen.
