fabricant	Holtkötter
concepteur	Holtkötter
année	2024
Projection en cm	max. 53
matériel	Messing/brass
Puissance en Watt	14 W
LED #	inclus
Indice de rendu des couleurs	>90
Flux lumineux en lm	2000
La température de couleur en Kelvin	2.700 blanc chaud extra
protection	IP20
Contenu de la livraison	LED
atténuation	Dimmer sur le support mural
remplacement des ampoules :	sur le site meme
Dimensions	H 12,5 cm B 10 cm

Description

The Holtkötter 9615 is the tried and tested lighting solution for the wall. This LED wall lamp is made of brass and is available in matt fumé, matt nickel and polished/brass matt finishes. The desired light centre of the Holtkötter 9615 wall light can be illuminated by adjusting the articulated arms and swivelling the reflector. Infinitely variable dimming is achieved via a touch dimmer located centrally on the wall bracket. The built-in LED can be replaced if required.
