### Omschrijving

The Foscarini Birdie Tavolo Grande is a reading lamp made of lacquered steel and polycarbonate. First time in 2011 the concept of the designers Ludovica & Roberto Palomba Foscarini was implemented. The Birdie Tavolo Grande is available in different colours. The shade of the table lamp provides good lighting of the underlying surface and an efficient reflection upwards.

This lamp is operated with an energy-saving bulb with max. 25 Watt or with a halogen bulb with max. 150 Watt. A version of the Birdie Grande Tavolo with integrated LED is also available.
