Omschrijving

The Vibia Alpha 7920 is a wall lamp that is particularly suited to light accent in rooms. The light radiates through a hole in the side of the lamp housing. By the nature of the attachment of the light it can be determined in which direction the light should radiate.

The Alpha 7920 is a very small lamp with a round shape. It is deep 2.75 cm and has a diameter of 10.5 cm. It is made of aluminum and is offered to you by Vibia in four different finishes:

- Matt white with a border made of chrome
- Matt black with a chrome border
- Graphite grey matt with black border
- Completely white.

The wall lamp has a colour temperature of 2,700 Kelvin extra warm white.
