### Omschrijving

The Vibia Empty 4125 floor lamp is also suitable as an unusual seating furniture for the garden. It is 45 cm long, high and wide. It is the second largest outdoor lamp from this series based on an idea of the designer Xuclà. This rectangular light is made of polymer concrete, available in grey. The Empty 4125 is equipped with two modern LEDs with 8.6 watts. With protection class IP66 it is protected against water jets and dust deposits and is therefore also suitable as an outdoor lamp.
