

Vibia

Vol 0225

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Lievore Altherr Molina
bescherming	IP20
Omvang van de levering	Leuchtmittel/Bulb
Diameter in cm	60
materiaal	aluminium, opaalglas
oppervlak	wit
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
base/versie	E27
luifel Dimensions	17 cm
prestaties van het systeem	4 x 9 Watt (max.)
totale hoogte	200 cm
Dimensions	H 26 cm Ø 60 cm

Omschrijving

With 60 cm diameter, the Vibia Vol 0225 is the larger of two simple pendant lamps in the family Vol. The idea comes from the design team Lievore, Altherr and Molina and exudes a warm, diffuse light. The distinctive lamp is made of blown opal glass triplex matt white. The canopy of the light is white matt lacquered. As lamps 4 x LEDs (Retrofi) with a maximum of 9 watts can be used. The Vibia Vol 0225 is height determinable up to 200 cm, the lamp exceeds 60 cm in diameter and has a height of 26 cm.
