

Vibia

Wireflow 0325

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Arik Levy
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, polycarbonaat, roestvrij staal
hoogteverstelling	bedrag niet bepaalbaar
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	2.910
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luisel Dimensions	lengte 155 cm
prestaties van het systeem	6 x 4,5 Watt
totale hoogte	200 cm

Omschrijving

The Vibia Wire Flow 0325 is one linearly constructed pendant light with three suspended 6-square lamp elements. This light element has a filigree appearance. Each light element has 2 LEDs with 4.5 watts to ensure a direct, pleasant light output downwards. This pendant lamp is on site dimmable. For the Wireflow 0325, the two outer light elements are suspended increased slightly, while the middle light element hangs a little deeper. The standard total height/length is 200 cm. If the pendant length of the lamp is different, please send us an individual request. The length of the lamp cannot be shortened by the user. The pendant lamp is also offered as a DALI dimmable version on request.
