

Vibia

Halo Circular 2332

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Martín Azúa
bescherming	IP20
Omvang van de levering	LED
materiaal	polymethylmethacrylaat, staal
oppervlak	wit
hoogteverstelling	hoogte bepaalbaar
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>80
Kleurtemperatuur in Kelvin	3.000 warm wit
luiifel Dimensions	35 cm
prestaties van het systeem	3 x 23 Watt
Totale lichtstroom in lm	5.180
totale hoogte	350 cm
Dimensions	B 80 cm L 127 cm

Omschrijving

The Vibia 2332 is a three-lighted pendant lamp with modern LED technology. It was created by the designer Martín Azúa, who designed the lamp with three circular elements made of matt white PMMA. Each one of these three elements can be set in height separately and can be suspended up to a maximum of 350 cm. The lamp is free to hang horizontally or diagonally. Three efficient LEDs are included. The lamps are electronically dimmable from 1-10V. On request there are also offered a DALI as well as a dimmable version with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
