

Vibia

Cosmos 2502

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Lievore Altherr Molina
bescherming	IP20
Omvang van de levering	LED
Diameter in cm	48
materiaal	polycarbonaat, polyethyleen, staal
oppervlak	mat wit
hoogteverstelling	hoogte bepaalbaar
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>80
Lichtstroom in lm	485
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luisel Dimensions	19 cm
prestaties van het systeem	1 x 4,5 + 1 x 1 Watt
totale hoogte	200 cm
Dimensions	B 7 cm Ø 48 cm

Omschrijving

The Vibia Cosmos 2502 is the largest of three pendant lamps with only one disc as lamp of the design team of Lievore, Altherr and Molina. It measures 48 cm in diameter and has a width of 7 cm and can be suspended to a maximum of 200 cm. The Cosmos 2502 features a round, disc-shaped lamp shade in white polycarbonate. One 4.5 Watt LED and one 1 Watt LED are included. The light is emitted mainly direct downwards. The lamp can be dimmed by the customer (1-10 Volt or Push). DALI or with Casambi module dimmable versions are also available on request. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The pendant lamp is well combinable with the other lamps from this series.
