

Vibia

Cosmos 2510

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Lievore Altherr Molina
bescherming	IP20
Omvang van de levering	LED
materiaal	ABS, polycarbonaat, staal
hoogteverstelling	hoogte bepaalbaar
dimmen	DALI dimbaar
LED	inclusief
Kleurweergave-index	>80
Lichtstroom in lm	1.455
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	Lengte 42 cm, breedte 28 cm
prestaties van het systeem	3 x 4,5 Watt
totale hoogte	200 cm
Dimensions	B 24 cm L 55 cm

Omschrijving

The Vibia Cosmos 2510 is a three-lighted pendant lamp, which should remind of a constellation of different moons. The designer team Lievore, Altherr and Molina created this light. Three round, disk-shaped lamp shades made of polycarbonate in various sizes and colours form the lamp.

The two larger lamp shades measure 27 cm in diameter and are green matt or light grey matt. The smallest lamp shade is finally 19 cm in size and dark brown matt. The three lamp shades can be suspended up to a maximum of 200 cm. Three modern 4.5 watt LEDs are included. The lamp can be dimmed on site (DALI, 1-10 Volt or Push). On request, a version is available that is dimmable with Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
