Omschrijving

The 15 luminaire arms of the Serien Lighting Poppy Ceiling 15 are textile-coated and made of aluminum. The arms are available in black or beige. The illuminants are 15 G4 low-voltage halogen lamps, each with a maximum power of 20 watts. The slats of the shades open approx. 2 minutes after the lamp is switched on. Three shade colours are offered: black-violet, ruby red or ceramic.

The ceiling and wall lamp Poppy Ceiling 15 is available with two arm lengths: 75 cm or 150 cm. Each arm can be bent independently of the others.
