base/versie	E27
luifel Dimensions	12 cm
Schaduw diameter	70 cm
schermhoogte	49 cm
prestaties van het systeem	3 x 70 Watt (max.)
Dimensions	H 100 - 475 cm

Omschrijving

The Luceplan Grande Costanza Sospensione is a pendant lamp, which is on site dimmable. The pendulum length can be shortened from 475 cm to 100 cm. The white lampshade emits pleasant ambient light.

As a continuation of the original Costanza, Paolo Rizzatto designed this lamp with a larger shade diameter of 70 cm.
