

Vibia

Algorithm 0875

Oberfläche

- graphite grey
- wit

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Toan Nguyen
jaar	2015
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, glas, polycarbonaat, staal
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	7.494
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	29 cm
bulb vervangen:	bij de fabrikant / fabriek
prestaties van het systeem	24 x 3,15 Watt
Dimensions	B 60 cm

Omschrijving

The Vibia Algorithm 0875 consists of 24 pendant lights arranged in three rows of equal size. The suspension of the 24 pendant lights has a length of 185 cm and a width of 60 cm. Each pendulum on this lamp has a length of 120 cm lower edge glass / suspension. Each pendulum has a hand-blown glass with a diameter of 9 cm. The aluminum glass mountings are available in white or graphite-grey matt.

The canopy is mounted on the ceiling. Below this hangs the suspension. The distance between ceiling and suspension can be freely chosen between 16 - 200 cm. The cable length is set at 120 cm and cannot be shortened. If required, please let us know the desired cable length. On request, the lamp is also available with a recessed canopy. Paris-born designer Toan Nguyen designed the pendant lights in 2015 and was inspired by geometric structures found in nature. The pendant lamp is supplied with a colour temperature of 2,700 Kelvin extra warm white. On request it is also on offer with 3,500 Kelvin white. The 24 inclusive LEDs can be dimmed by the customer with 1-10 volts. Dimming with DALI or Push is also possible on site. A dimmable version by smartphone with Casambi module is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
