

Vibia

Flamingo 1515

Version

- goud
- Graphite Grijs
- koperen
- wit

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Antoni Arola
jaar	2015
bescherming	IP20
Omvang van de levering	LED
materiaal	acryl, aluminium, methacrylaat, staal
hoogteverstelling	hoogte bepaalbaar
dimmen	cord dimmer
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	1.108
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	16 cm
Schaduw diameter	70 cm
prestaties van het systeem	2 x 5,6 Watt
totale hoogte	500 cm
Dimensions	H 80 cm

Omschrijving

Vibia Flamingo 1515 emits direct and indirect light. The light source is located in a lamp head below the two conical shades. The translucent shades let a part of the light go through and also reflect a part of the light into the room. A cable is integrated into the lamp head, with which the pendant light can be connected independently of the current outlet. The lamp head also carries a cable from which a counterweight hangs approximately 2 cm above the floor. The lamp head, the counter-weight as well as the canopy are available in gold satin matt, white matt lacquered, graphite-grey matt lacquered and copper glossy. The pendant lamp can be adjusted in height by shortening the cables if required.

A dimmer is integrated on the supply cable with which the light is dimmed and switched. The light is switched on and off by pressing the switch quickly, and a longer press sets the light intensity. There is also available the same lamp as with a direct ceiling connection.
